

Join WSPSS Today

WSPSS is a link to other soil scientists and a source of materials you can use to make others aware of the importance of soil resources, soil investigations, and soil data. Join now and become part of WSPSS, also known as the “Best in the West” . We need **YOU to help us be the best we can be while informing others about soil data, soil scientists, and the services and products they provide to others.**

Help WSPSS build our house for tomorrow and be responsive to our society's needs today! We encourage you to join our organization and to become actively involved with our members as they strive to provide quality soils information and services to all customers.

All categories of members (regular, affiliate, student, and honorary) are encouraged to serve on WSPSS Committees. WSPSS is only as great as its members!

Regular and honorary members may serve as WSPSS officers or as members of the Board of Directors.

All classes of membership are invited to attend all meetings, training sessions, and special meetings, and tours of the Society.

About WSPSS

Washington Society of Professional Soil Scientists is a group of professional soil scientists and others who wish to support the Society in its goals, objectives, and activities.

The WSPSS Board of Directors meet on a quarterly basis to carry out the Society's business and to plan and direct projects of the Society. Board of directors' meetings are open to all members of the Society.

Join these folks lining up to become WSPSS members !!

WSPSS conducts a yearly summer tour focused on timely topics such as: soil management, soil taxonomy, wetlands and wetland issues, hydric soils, soil interpretations, and other topics closely related to soil science and related disciplines.

WSPSS strongly encourages all members to become certified in one of the many certification areas of the American Registry of Certified Professionals in Agronomy, Crops, and Soils (ARCPACS).

WSPSS IS ARCPACS

AFFILIATED!!

The WSPSS organization is affiliated with ARCPACS (American Registry of Certified Professionals in Agronomy, Crops, and Soils) and each of the societies it represents. Each WSPSS

member subscribes to the ARCPACS Code of Ethics through their membership in WSPSS.

MEMBERSHIP CLASSES !!

Regular: \$35/year – Persons with a degree in soil science or closely related field with 15 semester hours or equivalent in soil science

Student: \$10/year – Persons working toward a degree in soil science or closely related field who will have 15 hours or equivalent in soil science upon graduation

Affiliate: \$20/year – Persons not meeting regular or student membership criteria but who wish to support WSPSS and its activities

Honorary: Persons who are WSPSS members in good standing, have made significant contributions to WSPSS and/or have been nominated and approved by the membership committee.
